When dropping off or picking-up your child; you have two options:

1. You may drive through the pick-up lane, stop momentarily at your child’s designated pick-up area either Elementary or Upper Academy/After School Care building, and allow staff to open your car door and help your child into the car. Please do not linger, but drive on, as there will be parents in other cars behind you attempting to drop off or pick up their child. If there is a long line of cars waiting to drop off or pick-up students, please be patient, or park your car in the parking lot and walk to pick up your child.
2. You may park your car and walk to front area of Elementary School or Upper Academy/After school Care building for arrival or to your child’s designated pick-up area at dismissal and retrieve your child. When you park your car, please park in the lot at the entrance of the school or in parking by Upper Academy/After School Care Building.
3. **At no time is anyone to park and leave his or her car on the drop-off, pick-up lane. Parking a car in the drive through lane will obstruct the flow of traffic and create a**

potentially dangerous situation. Please understand that parking in the unauthorized areas is considered a serious offense. It is strongly encouraged that purses, electronic devices, etc. be taken out of the vehicle when it will be unattended. The school or its employees are not held responsible for any stolen items left inside a vehicle.

PATROLS

Our patrols are students from our 6th and 7th grade classes. Our patrols are there to assist you and your child in the arrival and dismissal process. The patrols are there to enforce the policies designed by the administration. If you have a concern with a school policy, please do not discuss it with the patrols. Please take all concerns to the patrol supervisor.

ATTENDANCE

Attendance and punctuality is mandatory. It is an educational fact that attendance and grades are connected. There are probably no factors more important to successful school progress than regular and punctual school attendance. Students who are tardy or absent excessively from the instructional program will fall behind in academic achievement. Excessive school absenteeism precedes grade failure, loss of interest, and may result in students withdrawing from school. We expect our students to demonstrate excellent attendance. Please make every effort to have your child attend school on time consistently.

School Attendance: Students are to be counted in attendance only if they are actually present for **at least two hours of the day** or engaged in a school-approved educational activity which constitutes a part of the instructional program for the student.

Class Attendance: Students are to be counted in attendance if they are physically present in class for at least half of the class period, have been excused by the teacher on a class-related assignment, or have been requested by a member of the school support staff for an approved school activity.

- 1. Students missing three or more consecutive days of school due to illness or injury are required a written statement from a health-care provider.**
2. The written statement must include all the days the student has been absent.
3. If a student is continually sick and repeatedly absent from school due to a specific medical condition he/she must be under the supervision of a health provider.
4. Failure to provide required documentation within three school days upon the return to school **will result in unexcused tardies or absences.**
5. Students who have habitually unexcused absences shall be considered truant. Students affected by the Compulsory School Attendance Law may be referred to Children and Family Services for truancy.
6. Students who are tardy must report to the office to secure a Tardy pass. Students in 2nd – 5th grades are considered tardy if they arrive after 8:15 a.m.; K, 1st, 6th and 7th grade students are considered tardy if they arrive after 8:30 a.m. **After ten (10) unexcused tardies, the student will be issued a referral form that will be placed in the student's permanent record.** We understand that emergencies may arise. In such cases, we will need a letter signed a parent/guardian explaining the reason for being tardy.
7. Parents are to contact the office if their child is going to be absent. On the day he/she returns to school, parents must send a handwritten note explaining the reason for their child's absence. A maximum of 10 handwritten notes will be accepted per school year. After 10, a referral will be issued. Students may not exceed more than 10

unexcused absences per school year. For every five unexcused absences, the student will receive a referral.

8. Student must complete make-up work and give to teacher within 24 hours (per missed day) after returning to school. All assignments must be made-up or the student will be issued an incomplete. Incomplete assignments may affect the student's final grade. **It is the parent's responsibility to contact the teacher regarding any missed assignments.** If a student anticipates being absent for more than two consecutive days, it is the parent's responsibility to contact the school and pick-up any class work/homework from the teacher.

Excused Absences

- A. Personal illness of the student (medical evidence may be required by the Principal or designee for absences exceeding **three** consecutive days). The written statement must include all days the student has been absent from school. If a student is continually sick and repeatedly absent from school due to a specific medical condition, the student must be under the supervision of a health care provider in order to receive excused absences from school.
- B. Medical Appointment: If a student is absent from school due to a medical appointment a written statement from a health care provider indicating the date and time of the appointment must be submitted to the main office.
- C. Death in immediate family.
- D. An approved school activity (absences recorded but not reported).
- E. Other absences with prior approval of the Principal.
- F. Attendance at a center under Department of Children and Families supervision.
- G. Significant community events with prior permission of the Principal. When more than one school is involved in the absence, the Region Superintendent will determine the status of the absence.
- H. Observance of a religious holiday or service when it is mandated for all members of a faith that such a holiday or service is observed. The religious holiday must be listed on the district's approved list of religious holidays.

Tardiness

A student is considered tardy if they are not present at the moment the school bell rings for the class assigned. NOTE: If a student is not present when attendance is taken but is present later in the school day, that student must be considered in attendance, but tardy, and the absence should be changed. A student who is tardy should never remain on record as being absent.

A student who has twenty (20) or more cumulative tardies will not be allowed to participate in interscholastic competitions or performances for the remainder of the school year.

Early Sign-outs

No student shall be released within the final thirty (30) minutes of the school day.

No student shall be permitted to leave school prior to dismissal at the request of, or in the company of anyone other than a school employee, a police officer with judicial authority, a court official, or the parents of the student unless the permission of the parent is provided. No

parent may have access to the student or may grant permission to allow the student to leave school prior to dismissal if there is a legally binding instrument or court order governing such matters as divorce, separation, or custody which provides to the contrary. The parent who is the primary residential custodian or the parent who enrolled the student shall determine in writing, if the student may be released to individuals unless otherwise stated in a court order.

Emergency Contact Card must include those individuals who a parent/legal guardian permits the child to leave school grounds with on any day at any time.

If you would like to bring in cupcakes, please arrange it with your child's teacher as well. We cannot have lunch parties or send food items to be given during lunch times.

NO PEANUTS OR ITEMS CONTAINING NUTS ARE ACCEPTED OR ALLOWED FOR ANY ACTIVITY AT SCHOOL.

BOOK BAGS

It is recommended that each student have a book bag to transport his/her books and materials between school and home. We encourage parent(s) to check their child's book bag often to ensure necessary school materials, assignments, and communication notes are seen and returned to school. School supplies should be replenished as needed. Please be reminded that Rolling Book Bags or Book Bags with wheels are NOT permitted.

LUNCH BAGS/BOXES

Students who bring lunch bags or boxes from home must bring it upon the beginning of the school day. For the safety and security of all of our students, family members are **not** allowed to bring outside foods to the cafeteria. Should an emergency occur, parent/legal guardian is to leave the lunch bag/box with security personnel in the main entrance of the school.

COMMUNICATION

Parent to School Communication

A prime factor in our operation is the importance we place upon communication between home and school. The lines of communication must be kept open at all times so that we may be properly tune into your child's needs.

Parent to Teacher Communication

Conferences with individual teachers must be arranged by contacting the teacher via email. Teachers may also be available during their breaks; however you must make an appointment for these times. Parent conferences are not to be held while other families are able to hear

information for other students as all student information is private and we respect each of their individual abilities. **Moreover, please do not engage in parent/teacher conferences during arrival or dismissal times as the primary goal for all school staff is to maintain the safety of all students at all times.**

Always attempt to resolve issues/conflicts with the teacher(s) before communicating to the administration. Most issues can be resolved when you have open and honest communication with your child's teacher.

Order of contact to resolve an issue is:

Teacher → Assistant Principal → Principal

Student grades, unsatisfactory work notices, parent reports on state assessment, and/or standardized testing, parent conferences, and adult/student conferences should serve as the primary means of communicating student progress and achievement of the standards for promotion.

A student's academic grade reflects the teacher's most objective assessment of the student's academic achievement. Students have the right to receive a conduct and an effort grade consistent with their overall behavior and effort.

Specific guidelines for grading student performance and for reporting student progress are provided below and detailed in the *Student Progression Plan*. To view the plan, go to <http://ehandbooks.dadeschools.net/policies/93.pdf>.

Academic Grades

Academic grades are to reflect the student's academic progress. The grade must provide for both students and parents a clear indication of each student's academic performance as compared with norms that would be appropriate for the grade or subject.

K Grades	Numerical Value	Verbal Interpretation	Grade Point Value
E	90 – 100%	Outstanding progress	4
G	80 – 89%	Above average progress	3
S	70 – 79%	Average Progress	2
M	60 – 69%	Lowest acceptable progress	1
U	0 – 59%	Failure	0

The academic grades of "A," "B," "C," "D," or "F," are not related to the student's effort and conduct grades. Grades in all subjects are to be based on the student's degree of mastery of the instructional objectives and competencies for the subject. The determination of the specific grade a student receives must be based on a teacher's careful consideration of all aspects of each student's performance during a grading period.

1st – 7th Grades	Numerical Value	Verbal Interpretation	Grade Point Value
A	90 – 100%	Outstanding progress	4
B	80 – 89%	Above average progress	3
C	70 – 79%	Average Progress	2
D	60 – 69%	Lowest acceptable progress	1
F	0 – 59%	Failure	0

Grade and Grade Point Equivalency

A=3.50 or above

B=2.50 – 3.49

C=1.50 –2.49

D=1.00 –1.49

Parents, please understand, that it will be mandatory for every 3rd through 7th grade student that receives a Level 1 or 2 on the FSA, FCAT, and/or EOC to attend FSA, FCAT, EOC Academy at the school and participate in reading interventions throughout the school day.

Effort Grades

Effort grades are utilized to convey both to students and their parent(s)/guardian(s) the teacher's evaluation of a student's effort as related to the instructional program. These grades are independent of academic and conduct grades. In assigning an effort grade, the teacher must consider the student's potential, study habits, and attitude. Kindergarten students do not receive effort grades.

There are three numerical grades used to reflect effort in grades 1st through 7th:

Grade	Verbal Interpretation	Indicators
1	The student consistently works to the best of his/her ability.	<ul style="list-style-type: none">Completed all tasks.Tried a task again in order to improve the results.Consistently attends to assigned tasks until and generally exerts maximum effort on all tasks.
2	The student's effort is satisfactory.	<ul style="list-style-type: none">All work is approached with an appropriate degree of seriousness.The student usually finishes assignments on time and usually stays on task.The student usually works at a level commensurate with his/her ability.
3	The student shows insufficient effort.	Little attention is paid to completing assignments.

Conduct Grades

The school will follow Miami-Dade County Public School's *Code of Student Conduct* <http://ehandbooks.dadeschools.net/policies/90/index.htm>. The following rules, regulations and due process procedures are designed to protect all members of the educational community in the exercise of their rights and responsibilities.

1 st – 7 th Grades	Numerical Value	Verbal Interpretation
A	90 – 100%	Good
B	80 – 89%	Above Average
C	70 – 79%	Average

D	60 – 69%	Needs Improvement
F	0 – 59%	Failed

HEALTH GUIDELINES

If your child is injured or becomes ill at school, you will be notified immediately. PLEASE KEEP US CURRENT REGARDING YOUR PHONE NUMBERS BOTH AT HOME AND WORK. This information is vital should an emergency arise.

ILLNESS

1. If you suspect that your child is not well, please keep him/her at home, regardless of his/her desire to come to school. We ask that you do this out of consideration for his/her classmates.
2. If you child has had a fever, his/her temperature should be normal for twenty-four (24) hours before returning to school.
3. If your child has a cold, is coughing, and has a runny nose, please consider that he/she may be contagious to others. Please keep him/her home or make arrangements for his/her care until he/she recovers.
4. If your child has a rash, please keep him/her home and contact your doctor to find out the cause.

5. Our school staff only administers prescription medication prescribed by a doctor to children upon completion of a medication request form.

Medication Policy

Every attempt must be made by the student's parent and physician to have medications administered at home during non-school hours. When this is not possible, a completed **Medication Authorization Form** must be provided for **each** medication to be administered during school hours.

No medication may be administered by school personnel unless the parent presents the school with a completed **Medication Authorization Form**, signed by the physician and parent.

The **Medication Authorization Form** must be **renewed each school year** and placed in the student's cumulative folder.

Any changes in the type, dosage or frequency of medication administered will require a new Medication Authorization Form to be completed.

The Medication Authorization Form must be current. The Medication Authorization Form will be filed in the student's Cumulative Health Record (HRS-H Form 3041).

In an emergency situation a **Medication Authorization Form** can be faxed to the physician and returned by fax to the school. A copy should be made of the form, as fax copies fade. An original must be obtained from the physician and include parent/guardian signatures within 24 hours in order to continue administering the medication.

Administering Medications

State rule FL Statute, 1006.062 Administrative Rule, 64F-6.004 states that school personnel may assist students in the administration and/or dispensing of prescribed medication in compliance with the following procedures:

All medications will be administered by the school principal or his/her designee.

Medications may be administered by the school principal or his/her designee when there exists an illness or disability that requires maintenance-type medication and when failure to take prescribed medication could jeopardize the student's health and when the medication administration schedule cannot be accommodated before or after school.

If the parent/guardian has completed the Medication Authorization Form correctly and has met the requirements of the District, it is the obligation of the school to see that the student is medicated at the appropriate time indicated on the Medication Authorization Form.

Only the parent/guardian should deliver medications and pick up unused medications.

***Guidelines for administering medication will be followed very strictly.**

There are several illnesses that are common occurrences in school-age children.

Children will not be admitted to school and will be sent home if they exhibit any symptoms of illness. Please help us control and minimize the spread of infections to others by providing care for your child when he/she is sick and keeping them at home while doing so.
